PROGRESS OF REHABILITATION SCHEMES FOR EX-SERVICEMEN IN MYSORE STATE.

After the integration of State Forces and the re-organisation of 'B' Forces, as many as 3,800 were retrenched from service. The Government gave special importance to the rehabilitation of Ex-servicemen and an Ad-hoc Committee was formed in the year 1951 and a Special Office was set up for this purpose.

Commendable progress has been made in implementing the various schemes of the Government to rehabilitate the Ex-servicemen of Mysore, in civil life. Out of those retrenched, as many as 11 officers, 47 J.C. Os. and 1300 other ranks have been provided employment in railways, police and other departments. Many have been absorbed in Government aided and other private factories.

In collaboration with the Government of India, Mysore Soldiers' Board and the State Government, the following schemes have been put for implementation.—

(a) Land Colonisation scheme at Ratnapura Ex-servicemen Colony, Hunsur Taluk, Mysore District.
(b) Financial aid to Individual Settlers on Land.
(c) Vocational or Technical Training Scheme.
(d) Bangalore Ex-servicemen Transport Company.
(e) Employment in Government and private service.

Land Colonisation Scheme.—This scheme is for rehabilitating 350 Ex-servicemen on Tenant-farming Co-operative basis. 3,500 acres of land has been given free of cost by the State Government near Ratnapura in Hunsur Taluk. The total estimated cost of the scheme is Rs. 12,60,000 contributed by Government of India, Mysore Soldiers' Board and State Government by way of grant and loan. Eighty ex-servicemen have already been selected out of whom 34 Ex-servicemen have settled in the Colony. Six acres of dry, one acre of wet and three acres of forest land are being allotted to each settler who is also provided with a house. A loan for purchase of bullocks, cart and implements is also granted. The Ex-servicemen settlers are bringing the land under cultivation and are assisting the Colony in "Grow More Food".

Financial Aid to Individual Settlers.—This scheme is for rehabilitating 100 ex-servicemen. A grant of Rs. 500 is given for buying essential equipment, putting up farm houses, etc. for each ex-serviceman who personally engages himself in Agriculture in the lands awarded to him by the Government for his meritorious service in the army. As many as twelve ex-servicemen have availed of this opportunity so far and have settled permanently on land.

Vocational and Technical Training Scheme.—This scheme is to enable the ex-servicemen to have training which helps them to become a skilled artisan and technician for pursuing independent occupations or securing employment. Vocational training is given in subjects like tailoring, welding, machine fitting, printing, carpentry, foot-wear, fitter's work, etc., In Government Industrial Workshop, Occupational Institutes and factories. Training is given up to a period of twelve months with a monthly stipend of Rs. 25 per ex-serviceman. Fifty ex-serviceman have been trained so far.

Bangalore Ex-servicemen Transport Company.—Under the direct supervision of Sri E. V. Ganapathy Iyer, I.A.S., Director of Industries and Commerce, a transport company has been started for rehabilitation of 90 ex-servicemen. The company has 12 lorries, 26 auto-rikshaws, 6 taxis, a petrol bunk, a workshop and a showroom. They have given 12 auto-rikshaws on hire-purchase system to ex-servicemen and have absorbed about 50 ex-servicemen as drivers, fitters, etc., in the company. It is gratifying to note that the company is working with great enthusiasm and have made a name in Bangalore.

Employment in Government and Private Service.—In addition to the above schemes, Government have allotted 100 house-building sites in Rajajinagar for ex-servicemen at half the upset price payable in monthly instalments of Rs. 3 per mensem. It is under active consideration to form a house-building co-operative society of Ex-servicemen.

Relaxation of age limit and educational qualifications for entry into government service has been given in deserving cases and further efforts are being made to find employment for more men.
